2024 LEVEL 3

Dear parent/guardian,

Glen Waverley South Primary School is looking forward to another great year of teaching and learning and would like to advise you of Glen Waverley South Primary Schools' voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wide range of subjects and special curriculum experiences; sporting opportunities; student leadership training; enhanced digital learning opportunities; new library and class books, and contributed towards the maintenance and improvements of the school grounds.

For further information on the Department's Parent Payments Policy please see one-page overview attached.

Yours sincerely,

**Con Vellios**  
Principal

**Alec Yankos**  
School Council President
