Out of School Hours Care (OSHC) Program

The Out of School Hours Care program is a paid service where children are supervised in a safe and caring environment outside normal school hours. The program aims to be a home away from home where the children are involved in planning the activities and where they genuinely enjoy attending.

The program offers the following services:

Before School Care	7.00am - 8.45am
After School Care	3.30pm - 6.00pm
Holiday Program	7.00am - 6.00pm
Curriculum Days	7.00am - 6.00pm

Children have the opportunity to participate in stimulating activities, mix with their peers and have fun. The program can be used either casually or on a permanent basis and is registered with the Family Assistance Office which enables families that qualify, to claim the Child Care Subsidy (CCS).

At Before School Care, children have the option of having a nutritious breakfast. The breakfast menu is varied and includes the option of cooked breakfast several times a week. During After School Care, children have healthy and varied snack options including fruit, pancakes, pasta, hot foods, homemade goodies, sandwiches, dips and biscuits. Children who attend the OSHC programs participate in games, outdoor play, cooking and craft activities as well as having the opportunity to complete homework, mix with their friends and enjoy themselves.

The Holiday Programs often involve excursions, incursions and planned theme days.
