Enrolment Information - Privacy Notice

Please read this notice before completing the attached Enrolment Form

This confidential enrolment form asks for personal information about your child as well as family members and others that provide care for your child. The main purpose for collecting this information is so that GWSPS can register your child and allocate staff and resources to provide for his/her educational and support needs. All staff at GWSPS and the Department of Education & Training (DET) are required by law to protect the information provided in the attached enrolment form.

Health information is collected so that staff at GWSPS can properly care for your child. This includes information about any medical condition or disability your child may have, medication your child may rely on while at school, any known allergies and contact details of your child's doctor. GWSPS depends on you to provide all relevant health information because withholding some health information may put your child's health at risk.

GWSPS requires information about all parents, guardians or carers so that we can take account of family arrangements. Family Court Orders setting out any access restrictions and parenting plans should be made available to GWSPS. Please tell us as soon as possible about any changes to these arrangements. Please do not hesitate to contact the Principal, if you would like to discuss, in strict confidence, any matters relating to family arrangements.

Emergency Contacts: These are people that the school may need to contact in an emergency. Please ensure that the people named are aware that they have been nominated as emergency contacts and agree to their details being provided to GWSPS.

Student Background Information: This includes information about a person's country of birth, aboriginality, language spoken at home and parent occupation. This information is collected so that the school receives appropriate resource allocations for its students. It is also used by the Department to plan for future educational needs in Victoria. Some information is sent to Commonwealth government agencies for monitoring, planning and resource allocation. All of this information is kept strictly confidential and the Department will not otherwise disclose the information to others without your consent or as required by law.

Immunisation status: This assists the school in managing health risks for its students. This information may also be passed to the Department of Human Services to assess immunisation rates in Victoria. Information sent to the Department of Human Services is aggregate data so no individual is identified.

Visa status: This information is required to enable the school to process your child's enrolment.

Updating your Child's Record: Please let the school know if any information needs to be changed by sending updated information to the school office. Please contact the school office on 03 9560 6371 or by email glen.waverley.south.ps@edumail.vic.gov.au to update any information. During your child's time with GWSPS, we will also send you copies of enrolment information held by us. Please use this opportunity to let us know of any changes.

Access to your child's Record held by the School: In most circumstances you can access your child's records. Please contact the Principal to arrange this. Sometimes access to certain information, such as information provided by someone else, may require a Freedom of Information request. We will advise you if this is required and tell you how you can do this.

If you have any concerns about the confidentiality of this information please contact the Principal. The school can also provide you with more detailed information about privacy policies that govern the collection and use of information requested on this form. The GWSPS Privacy Policy is available via the school office.
