Preschool Liaison Consent

Dear Parents/Guardians,

To support the learning and development of your child as they progress from preschool to primary school, we would like your permission to liaise with your child's preschool teacher. Liaising with the preschool staff helps us provide a learning environment that will best support your child to reach their potential.

Preschool visits are ideal as they allow us to observe the children in their preschool environment, and to liaise with the preschool staff in person. The children enjoy these visits and like to show us their favourite activities, pieces of work, etc. These visits also help build positive relationships between the children and the primary school teachers. When a preschool visit is not possible, we make every effort to speak with the preschool teacher by telephone.

We therefore request your permission to contact your child's preschool teacher either by telephone or site visit. Please indicate on the form below if you agree to this sharing of information between your child's preschool teacher and our Foundation teachers. Please return this form to Glen Waverley South Primary School at your earliest convenience.

Kind regards,

Veronica Lawrence
Foundation Transition Coordinator
